Re: Hearing Application
Camerina 1 Sand, Reservoir I
KAPLAN FIELD
Vermilion Parish, Louisiana
Applicant: CENCO, Inc.

Dear Mr. Commissioner:

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, application is hereby made on behalf of **CENCO, Inc.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Camerina 1 Sand, Reservoir I, Kaplan Field, Vermilion Parish, Louisiana.

1. To create a single drilling and production unit of approximately 493 acres for the Camerina 1 Sand, Reservoir I, designated as the CAM 1 RI SUA, Kaplan Field, Vermilion Parish, Louisiana, all as shown more particularly on the attached plat;
2. To establish rules and regulations governing the exploration for and production of gas and condensate from the said unit;
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the unit so created, with each tract sharing in unit production on a surface acreage basis of participation;
4. To consider such other matters relating to the subject reservoir as may be appropriate and justified by the evidence presented at the public hearing.

The Camerina 1 Sand, Reservoir I in the Kaplan Field is hereby defined as being that gas and condensate bearing sand encountered between the measured depths of 17,600 feet and 18,050 feet (electrical log measurements) in the CENCO, Inc. (formerly Petrus Operating Company)-Broussard No. 1 Well located in Section 9, Township 13 South, Range 2 East, Vermilion Parish, Louisiana.

Hon. James H. Welsh

In compliance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, a pre-application conference was held in Lafayette, Louisiana on August 21, 2006. Attached hereto and made a part hereof is a list of the names and addresses of the parties who were in attendance at that conference.

The conference was opened by Mr. B. J. Duplantis. Mr. Remy Williams of W. H. Robbins & Associates presented the plan of applicant. Questions were asked and answered. Mr. Bill Clay on behalf of Dorothy Hebert Dupuis presented a plan that moved the eastern boundary to the section line adding 54 acres to the proposed plan. Mr. James Hardwick on behalf of Jimmie Meaux, et al presented a plan that centered the unit well north, east and west. After further consultations, a compromise plan resolving the differences between these parties resulted in the attached proposal. It is not known if there will be opposition at the public hearing on this matter.

Attached hereto and made a part hereof is a revised plat outlining the CAM 1 RI SUA, Vermilion Parish, Louisiana, and a list of the names and addresses of the interested owners, represented parties and interested parties to whom this notice is being sent. It is hereby certified that a reasonable effort was made to ascertain the names and addresses of all interested owners, represented parties and interested parties.

As provided in Rule 9 of the Revised Rules of Procedure of the Commissioner of Conservation, if a request is received, applicant will schedule a pre-hearing conference to discuss the revised application.

Any pertinent data relating to the proposed units can be obtained, AT THE COST OF THE REQUESTING PARTY, from Mr. Bill Robbins, of W. H. Robbins & Associates, 302 La Rue France, Suite 100, Lafayette, LA 70508 (337) 232-5004.

Finally, there is enclosed herewith our check on behalf of the applicant in the amount of \$755.00, made payable to the Office of Conservation, representing the required hearing application fee.

Very truly yours,

B. J. Duplantis
